SALE OF 9 KABA GROVE, NORNALUP

Hi Vaughan,

This is just a note to say thanks for all you did in the sale of our property at 9 Kaba Grove. I think we were very fortunate it went so quickly and with so little hassle, but you as always have been a delight to deal with. It is wonderful to see there are gentlemen in the industry.

Enclosed with this letter are our keys to the shed and a note from the DEC on a prescribed burn in the area. I am not sure who informs DEC of the change in ownership.

Anyway, hope things are going well for you Vaughan. We will definitely call in and say hello when we are that way next.

Interesting days!

All the best,
